Frisco Resident Charged With Injury to a Child After Child's Death

May 26, 2009 (Frisco TX.)

On Saturday, 05-23-09, at approximately 11:19 AM, Frisco Fire and Police units were dispatched to the 8400 block of Preston North in reference to an unresponsive 16 month old male child. The reporting party, Randy Baker (W/M, 34 YOA), stated that he found the child unresponsive. The child was transferred to Children's Medical Center Dallas in critical condition. The medical staff at Children's reported the child was suffering from head trauma. The child died from the injuries on Sunday, 05-24-09. The preliminary cause of death has been ruled as abusive head trauma. The investigation resulted in an arrest warrant being obtained for Baker. Baker was arrested on Saturday, 05-23-09, for the offense of Injury to a Child and bond for Baker has been set at \$500,000.
